

LOCATION SCOUT & MANAGER

I've been privileged to help productions, union and non-union alike, find the look they need with as little hassle as possible. My excellent relationships with local film offices and property owners, along with my extensive knowledge of the vast location assets in the area of Southern California that I specialize in (Palm Springs, Joshua Tree, Idyllwild Mountains, Johnson Valley, Salton Sea, Ocotillo Wells, and Mojave Desert), helps to ensure locations will be found, cleared, approved and permitted in a timely manner.

LOCATION ABILITIES & EQUIPMENT

LOCATION SCOUTING

- Full frame Canon camera and lenses w/ lighting.
- DJI drone photography and video.
- Flagship smartphone for sun path / compass images.
- Reliable 4WD vehicle for desert / mountain terrain.

LOCATION MANAGEMENT

- Proficient with local permitting and neighborhood notification procedures.
- Free advice and file pulls to other location pros already working on a project in the regions I specialize in.
- A growing photo library of area locations for file pulls.
- Familiar with location releases and estimates.
- Over (40) 24"x18" street and basecamp direction signs, both standard and reflective for nighttime guidance.
